

It's on Again
Alicia Keys

But this is bigger than triumph

C **Em**

This is for the warrior, this is for you and I

This is for euphoria, give me a piece of mind

G
God is recording this! won't you look in the sky?

Am
Tell him you got the behavior of your neighbor

C
Even when stability's never in your favor

Em
Fly with the turbulence, only last a minute

G
Land on your dreams, and recognize you live it

Am
Walk through the valley of peace, with bare feet

C
Run through the flames, that's more passion for me

Em
I passed that, this morning just so the world can see

G
Got them wolves on me, no watch me like em clean

Am
I know, I know, my pride, my ghost, my eyes

C
My lows, I know I know, its mind control

Em
I know I could prosper, no impostor

G
Prosecute my posture

Am
I stand up and I stand by it what

[Verse I Alicia Keys]

Am
I am a freedom fighter,
C **Em**
the name that history wrote

and even through disaster, eye of the tiger for hope

Am
I'm trying to find my way back,
C **Em**
there's no day off for heroes

And even when I m tired, go is the only word I know

[Pre-Chorus]

Am

And the night is takin over,

C

and the moonlight gets exposure

Em

And the players have been chosen,

and it seems like fate has spoken

Am

When it seems your faith has broken,

C

by the second, losin focus

Em

Ain t no way to get off, get off, get off, get off

Unless you move forward

I sacrifice my ego

Em

pause

There ain t no room for selfish, we do it for the people

[Pre-Chorus]

C

And everybody here tryna get on top

Em

Everybody from the burbs down to the block

Gotta hold on tight and don t let go, let go

Am

Huh, So you think you hot?

C

Gotta grind hard, give it all you got

Em

You can have, or you can have not

You see that a lot in the ghetto (ghetto)
