Do you remember girl

I was the one who gave your first kiss
Cause I remember girl
I was the one who said: put you re lips like this
Even before all the fame and
People screaming your name
Girl I was there and you were baby

Chorus

(Usher)
It started when we were younger
You were mine, my boo
Now another brother s taking over
But it s still in your eyes, my boo
Even though we used to argue, it s alright (It s alright girl, That s ok)
I know we haven t seen each other in awhile
But you will always be my boo

(Alicia)
I was in love with you when we were younger
You were mine, my boo
And I see it from time to time
I still feel like, my boo
And you can see it no matter
How I try to hide, my boo
Even though there s another man who s in my life
You will always be my boo

(Alicia)
