

Not Even The King
Alicia Keys

C
Money
C
Some people so poor all that they got is money
Oh, and diamonds
Some people waste their lives counting their thousands

G
I don t care what they re offering
Am7
How much gold they bring
F **G**
They can t afford what we got,
C
Not even the king
F **G**
They can t afford what we got,
F **C**
Not even the king

C
Oh castles, some people so lonely, what good is a castle
Surrounded by people, but ain t got a friend
That s not on the payroll

Oh,
G
I don t care what they bring,
Am7 **F**
They can have everything
They can t afford what we got,
G **C**
Not even the king
F **G**
They can t afford what we got,
F **C**
Not even the king

Am **G** **F** **Em**
All the king s horses and all the king s men
Dm **Em** **F**
Came charging to get what we got
Am **G** **F** **Em**
They offered the crown and they offered the throne

Dm **Em** **F**
