

SuperWoman
Alicia Keys

C# C#/B Bbm

Everywhere I m turning

Ebm C# G#

Nothing seems complete

C# C#/B Bbm

I stand up and I m searching

F# C# Ebm

For the better part of me

C# C#/B Bbm

I hang my head from sorrow

Ebm C# G#

State of humanity

C# C#/B Bbm

I wear it on my shoulders

F# G# C#

Gotta find the strength in me

Bbm C# F# C#

Cause I am a Superwoman

F# C#

Yes I am

F# G#

Yes she is

Bbm Bbm/G#

Still when I m a mess

C#

I still put on a vest

Eb

With an S on my chest Oh yes

F# C# F# C#

I m a Superwoman

C# C#/B Bbm

For all the mothers fighting

Ebm C# G#

For better days to come

C# C#/B Bbm

And all my women, all my women sitting here trying

F# C# Ebm

To come home before the sun

C# C#/G

And all my sisters

Bbm

Coming together

F# C#

Say yes I will

F# **G#**
Yes I can
Bbm **C#** **F#** **C#**
Cause I am a Superwoman

F# **C#**
Yes I am
F# **G#**
Yes she is
Bbm **Bbm/G#**
Even when I m a mess
C#
I still put on a vest
Eb
With an S on my chest Oh yes
F# **C#** **F#** **C#**
I m a Superwoman

F#
When I m breaking down
F#m
And I can t be found
Bbm **Ebm** **C#**
And I start to get weak
F#
Cause no one knows
F#m
me underneath these clothes
G#
But I can fly
G#
We can fly, Oooohh

Bbm **C#** **F#** **C#**
Cause I am a Superwoman
F# **C#**

Yes I am
F# **G#**
Yes she is
Bbm **Bbm/G#**
Even when I m a mess
C#
I still put on a vest
Eb
With an S on my chest Oh yes
F# **C#** **F#** **C#**
I m a Superwoman
