Deep in my mind Im secure with getting by
Cadd11
I wanna see the light before I die or I lie in an empty space,

The darkness comes and I ve been telling my soul
Cadd11
And me and myself we turn around, we re getting old,

F#
But the lightning crashing, foolish emotions
Cadd11
From the bruises and the beauty in this moment that we re feeling,

F#
And I feel like I m seeing the world inside of me
Cadd11 Bsus4

There a cold in the morning, endless equation

Of who we ve become, it s a complex situation
