**B** **A** **E**  
It feels kind crazy

**E** **F#m**  
These covers, may keep me warm at night

**B** **A** **E**  
But they can t take your place, cause they never gonna hold me tight

**E** **F#m**  
And these pillows, may let me rest my head

**B** **A** **E**  
But they can t say good night and tuck me in before I go to bed

**F#m** **C#m**  
Say now baby girl you re better off thats what I m telling myself

**A** **E** **B**  
But I m lying to myself cause I know I don t want nobody else

Refrão:

**E**  
These lips are missing you

**F#m**  
Cause these lips aint kissing you

**B**  
These eyes put up a fight

**A** **E**  
But once again these Tears Always Win

**E**  
These arms are wanting you

**F#m**  
Cause these arms aint holding you

**B**

**A** **E**  
But once again these Tears Always Win

**E** **F#m**  
These candles light up my room at night

**B** **A** **E**  
But they can t light the room they way you did when you walked inside, oh baby

**E** **F#m**  
If these walls could sing about everything they ve witnessed

**B** **A** **E**  
Oh, it d be a sad sad song, and it ll probably sound something like this
