It feels kind crazy

F **Gm**
These covers, may keep me warm at night

C **Bb** **F**
But they can t take your place, cause they never gonna hold me tight

F **Gm**
And these pillows, may let me rest my head

C **Bb** **F**
But they can t say good night and tuck me in before I go to bed

Gm **Dm**
Say now baby girl you re better off thats what I m telling myself

Bb **F** **C**
But I m lying to myself cause I know I don t want nobody else

Refrão:

F
These lips are missing you

Gm
Cause these lips aint kissing you

C
These eyes put up a fight

Bb **F**
But once again these Tears Always Win

F **Gm**
These candles light up my room at night

C **Bb** **F**
But they can t light the room they way you did when you walked inside, oh baby

F **Gm**
If these walls could sing about everything they ve witnessed

C **Bb** **F**
Oh, it d be a sad sad song, and it ll probably sound something like this

Gm **Dm**
Say now baby girl you re better off that s what I m telling myself
