**D** **Em**  
These covers, may keep me warm at night

**A** **G** **D**  
But they can t take your place, cause they never gonna hold me tight

**D** **Em**  
And these pillows, may let me rest my head

**A** **G** **D**  
But they can t say good night and tuck me in before I go to bed

**Em** **Bm**  
Say now baby girl you re better off thats what I m telling myself

**G** **D** **A**  
But I m lying to myself cause I know I don t want nobody else

Refrão:

**D**  
These lips are missing you

**Em**  
Cause these lips aint kissing you

**A**  
These eyes put up a fight

**G** **D**  
But once again these Tears Always Win

**D**  
These arms are wanting you

**D** **Em**  
These candles light up my room at night

**A** **G** **D**  
But they can t light the room they way you did when you walked inside, oh baby

**D** **Em**  
If these walls could sing about everything they ve witnessed

**A** **G** **D**  
Oh, it d be a sad sad song, and it ll probably sound something like this

**Em** **Bm**

**G** **F#m** **Bm** **Bm7/B**  
When everything in this room reminds me of you  
**G** **F#m** **Bm**
