Capo 3

**G** **A** **D**  
Even if you were a million miles away

**G**  
I could still feel you in my head

Near me, touch me, feel me.

**A** **D**  
And even at the bottom of the sea,

**G**  
I could still hear inside my head.

Telling me, touch me, feel me.

**A** **D**  
And all the time, you were telling me lies.

**G** **A** **D** **G**  
So tonight, I m gonna find a way to make it without you

**G** **A** **D** **G**  
Tonight I m gonna find a way to make it without you

**A** **D** **G**  
I m gonna hold on to the times we had tonight

**A** **D** **G**  
I m gonna find a way to make it without you

**G** **A** **D**  
Have you ever tried sleeping with a broken heart?

**G**  
Well, you could try sleeping in my bed

**A** **D** **G** **A**  
Lonely, on me, nobody ever shut (?) it down like you

**D**  
You want a crown

**G** **A**  
You made my body feel heaven bound

**A**  
Why don t you hold me

**D**  
Near me, I thought you told me

**G**  
You d never leave me

**A** **D**  
Looking in the sky I could see your face

**G**  
And I know right where I fit in

Take me, make me, you know that I ll always be in love

**A**  
With you

**D** **G**  
Right til the end 00h

**A** **D** **G**  
So tonight, I m gonna find a way to make it without you

**A** **D** **G**  
Tonight I m gonna find a way to make it without you

**A** **D** **G**  
I m gonna hold on to the times that we had tonight

**A** **D** **G**  
Tonight I m gonna find a way to make it without you

**A** **D**  
Anybody could ve told you right from the start

**G**  
It s bound (?) to fall apart

**A**  
So rather than hold on to a broken dream

**D** **G**  
We ll just hold on to love

**A** **D**  
And I could find a way to make it

**G**  
Don t hold on too tight

**A** **D** **G**  
I ll make it without you tonight

**A** **D** **G**  
So tonight, I m gonna find a way to make it without you

**A** **D** **G**  
Tonight I m gonna find a way to make it without you

**A** **D** **G**  
I m gonna hold on to the times that we had tonight

**A** **D** **G**  
Tonight I m gonna find a way to make it without you
