

Wish  
Alien Ant Farm

I tabbed this cause no one on the site or any site i ve been on yet has gotten it right.

I didn t tab the exact picking pattern or the timing u can figuer it out just listen to the CD. I may have missed a couple of transfer chords at the end of some verses but oh well. I kno this is right except the intro maybe off like 1 note but i challenge anyone to find a mistake other than that.
