Momma Cried

Intro: X2      **G   F   C   G            Bb   C   F   G**

**G   F            C   G   Bb   C            F   G**

Momma loved us, every one. Every daughter, every son.

**G            F            C   G   Bb            C            F            G**

She gave herself so happily. That s just the way she was, you see.

**G            F            C   G            Bb            C            F            G**

From dawn to dark she d find a chore. And work it til it was no more.

**G            F   C            G   Bb   C            F   G**

And every day until she died. In the evening, momma cried.

**C                            Bb**

Momma cried, there was mourning in the evening.

**C                            F                            G**

And momma cried, cause her little girl was gone.

Intro: X2

**G            F            C            G                    Bb            C            F            G**

Her little girl was snatched away. She was there and then just gone one day.

**G            F            C            G            Bb   C            F            G**

And momma blamed herself, I d say. But all of us had debts to pay.

**C                            Bb**

Momma cried, there was mourning in the evening.

**C                            F                            G**

And momma cried, cause her little girl was gone.

Intro: X2

**G            F            C            G                    Bb            C            F            G**

I did my best to cheer her pride. That day that something broke inside.

**G            F            C            G            Bb   C            F            G**

I swore I d find her and I tried. In the evening, momma cried.

**C                            Bb**

Momma cried, there was mourning in the evening.

**C                            F                            G**

And momma cried, cause her little girl was gone.

**C                            Bb**

Momma cried, there was mourning in the evening.
