But You Know I Love You Alison Krauss

When the mornin' sun streaks across my room

And I'm wakin' up from another dream of you

Α

Well I'm on the road once again it seems

Em G A

All that's left behind is a chain of broken

dreams

Α

But you know I love you

Em

Yes I love you

G D A

Oh, I love you

How I wish that love was all we'd need to live
What a life we'd have 'cause I've got so much to give
But it seems so wrong deep inside my heart
That the dollar sign should be keepin' us apart
But you know I love you
Yes I love you
Oh, I love you

And if only I could find my way back to the time

When the problems of this life had yet not

crossed your mind

And all the answers could be found in

children's nursery rhymes

Then I'd come runnin' back to you

E E 7

I'd come runnin' back to you

But you know we can $\widehat{\mathbb{I}}$ live on dreams alone And to pay the rent I must leave you all alone You know I made my choice many years ago

But you know I love you

Yes I love you

Oh, I love you

But you know I love you

Yes I love you

Oh, I love you
