Alison Krauss

[Intro]

Bb F Bb

[Verse 1]

Bb

You can send me pretty flowers

You can send me valentines

F

Send me letters every day but it won't pay

Leap to my desires, nothing else will do

Bb

It's goodbye and so long to you!

[Chorus 1]

Bb

You can hang around and love me

You can hang your head and cry

F

Hang my picture on the wall, but I won't fall

Kiss me when you're dreaming, no good that will do

Bb

It's goodbye and so long to you!

[Break]

Bb F Bb

[Verse 2]

All the things you offer, make me sad and blue

It's goodbye and so long to you!

[Chorus 1]

Bb

You can hang around and love me

You can hang your head and cry

F

Hang my picture on the wall, but I won't fall

Kiss me when you're dreaming, no good that will do

You can call me your own darling

You can call me what you may

Call me on the telephone I won't be home

Keep your old love letters, I'm all through with you
