

That Kind Of Love
Alison Krauss

Who would sell their soul for love? **F**

Or waste one tear on compromise **C**

Should be easy enough **G**

To know a heartache in disguise **C**

But the heart rules the mind **Gm**

And the going gets rough **C F**

Pride takes the fall **G**

When you find that kind of love **C**

I can't help feeling like a fool **F**

Since I lost that place inside **C**

Where my heart knew its way **G**

And my soul was ever wise **C**

Once innocence was lost **Gm**

There was not faith enough **C F**

Still my heart held on **G**

When it found that kind of love **C**

Though beauty is rare enough **Bm Em**

Still we trust **Am Dm**

Somehow we'll find it there **C F**

With no guarantee **Bm Em**

It seems to me **Am Dm**

At least it should be fair **G C**

But if it's only tears and pain

Isn't it still worth the cost

Like some sweet saving grace

Or a river we must cross

If we don't understand

What this life is made of

We learn the truth

When we find that kind of love

Cause when innocence is lost

There is not faith enough

We learn the truth

When we find that kind of love
