

That Kind Of Love

Alison Krauss

Who would sell their soul for love?

Or waste one tear on compromise

Should be easy enough

To know a heartache in disguise

But the heart rules the mind

And the going gets rough

Pride takes the fall

When you find that kind of love

I can't help feeling like a fool

Since I lost that place inside

Where my heart knew its way

And my soul was ever wise

Once innocence was lost

There was not faith enough

Still my heart held on

When it found that kind of love

Though beauty is rare enough

Still we trust

Somehow we'll find it there

With no guarantee

It seems to me

At least it should be fair

F

But if it s only tears and pain

C

Isn t it still worth the cost

G

Like some sweet saving grace

C

Or a river we must cross

Gm

If we don t understand

What this life is made of

We learn the truth

When we find that kind of love
