

Always No1

Alistair Griffin

CAPO 1st Fret

G **Em** **D** **C**
So long, farewell but not goodbye I know we ll meet again
G **Em** **D** **C**
Cos I ve seen in your eyes the spark that lights the dreams of rocket men
Em **C** **G** **D**
And you still chase that light that takes you to place you ll always know
Am
Takes you home

G **Em**
I don t know if I will make it
D
All I know is that the sun
C
Keeps on shining when you re gone
G **Em**
So I ride the wave that takes me
D
To that time when we were young
C
And you were always number one

G **Em** **D** **C**
They say it s too late to write your name in lights across the sky
G **Em** **D** **C**
That you ve had your time but you d risk it all for one last chance to fly
Em **C** **G** **D**
And you still chase that light that takes you to place you ll always know
Am
Takes you home

G **Em**
I don t know if I will make it
D
All I know is that the sun
C
Keeps on shining when you re gone
G **Em**
So I ride the wave that takes me
D

To that time when we were young

C

And you were always number one

They ll write your name

D

In the fire and blood

C

When we re long gone

You will always be... number one
