

Feeling Alive
Alistair Griffin

C **G** **F**
Tonight I feel like I ve died,
C **G** **F**
She looked right into my eyes,
C **G** **F** **C**
And I know that she saw me staring at her,
 G **F** **G**
Cause my mind started racing, the rest s just a blur.

C **G** **F**
So look me in the eye and say it s wrong,
G **C** **G** **F** **G**
Tell me that these feelings won t go on, oh no,
 Am
Cause tonight,
 G
It s alright,
 F **G**
For this love to survive,
 F **G**
Can t deny,
 C
I m feeling alive.

C **G** **F**
So we stay up just talking all night,
C **G** **F**
As we lay there, the world rushing by,
C **G** **F** **C**
And I know that she s thinking we just can t survive,
C **G** **F** **G**
But I know that she s wanting and feeling alive.

C **G** **F**
So look me in the eye and say it s wrong,
G **C** **G** **F** **G**
Tell me that these feelings won t go on oh no,
 Am
Cause tonight,
 G
It s alright,
 F **G**
For this love to survive,
 F **G**

Can t deny,

C G

I m feeling alive oh,

F C G

I m feeling alive oh yeah,

C

I m feeling alive.
