

Ive Lived

Alistair Griffin

[G]Take a [Em7]look at me and [Cadd9]tell me what you [D]find
[G]A drunken [Em7]fool, a lazy [Cadd9]womanising [D]swine
[G]Well maybe [Em7]so but you don t [Cadd9]know the life I ve [D]had
[G]I ve walked with [Em7]kings and lost it [Cadd9]all but hey I m [D]glad

Cos when they [Cadd9]bring the news that [D]i was drinking [G]champagne When i [Em7]died
And [Cadd9]my sixth wife will [D]tell the gathered [G]crowds now please Don t [Em7]cry
You ll [Cadd9]see, my [D]friend

[G]I have [Em7]lived each [Cadd9]moment of each [D]day
[G]I have [Em7]lived, you [Cadd9]can t take that [D]away
I ve lived, I ve [Cadd9]died
I ve laughed and [D]cried
I ve cheated [G]and i ve been [Em7]forgiven
but [Cadd9]most of [D]all i ve lived

Cocktail shaker and book-maker are my friends
drink from dusk till dawn the laughter never ends
You ll look at me and tell me that s no way to live
I reply now I gave it all I have to give

I have lived, I have died
I have laughed and I have cried
I have loved, I have lost
I ve risked it all, I ve payed the cost
Cos when they bring the news that i was drinking champagne when i died
And my sixth wife will tell the gathered crowds now please don t cry
You ll see, my friend

I have lived each moment of each day
I have lived, you can t take that away
I have lived each moment of each day
I have lived, they can t take that away
I ve lived I ve died
I ve laughed and cried
Cheated and i ve been forgiven
But most of all i have lived
