

Little Miss Disaster  
Alistair Griffin

G C(9) Em7 D  
Woke up in some girls bed  
G C(9) Em7 D  
Headache and legs like lead  
G C(9) Em7 D  
My boyfriend s home today  
G C(9) Em7 D  
She said, so I fled

G C(9) Em7 D  
I m running down her street  
G C(9) Em7 D  
Well who d you think I d meet?  
G C(9) Em7 D G C(9) Em7  
The sister from the week before,

G C(9)  
I swore, I d never go back to that place  
Em7 D C(9) Em7  
The scene of my drunken disgrace

G C(9) Em7 D  
Ohhhh Little Miss Disaster  
G C(9) Em7 D  
Oh,oh,oh,oh give it to me faster  
G C(9) Em7 D  
Oh,oh,oh,oh Little Miss Disaster  
G C(9) Em7 D G C(9) Em7 D  
Disaster, disaster oh no

Turns out her guy s in jail  
But he just got granted bail  
He d probably hang me with a rope

I hope, that someone breaks this curse and spell  
And frees me from this living hell

Oh Little Miss Disaster  
Oh, oh give it to me faster  
Oh, oh Little Miss Disaster  
Disaster, disaster oh no

G C(9) Em7 D  
I can t believe it s come to this  
G C(9) Em7 D

A one night stand with Little Miss

**G C(9) Em7 D G C(9) Em7 D**  
And all my hopes and all my dreams just fade

Oh Little Miss Disaster

Oh, oh give it to me faster

Oh, oh Little Miss Disaster

Disaster, disaster oh no
