

Youre The One
Alistair Griffin

G **D** **Em7** **Cadd9**
You remember cause I can t forget,
G **D** **Em7** **Cadd9**
The way you looked at me first time we met,
G **D** **Em7** **Cadd9**
Oh how we danced oh how we lost our way,
G **D** **Em7** **Cadd9**
Oh how we talked all night I can t explain...

G **D** **Cadd9**
How I feel when you look at me,
G **D** **Cadd9**
Something real is setting me free,
G **D** **Cadd9**
Can t you see I ve known all along,
G
You re my first,
D
You re my last,
Cadd9
You re The One.

G **D** **Em7** **Cadd9**
The times had changed but you were always free,
G **D** **Em7** **Cadd9**
That girl who danced all night and laughed with me
G **D** **Em7** **Cadd9**
If you get lost if you can t find your way,
G **D** **Em7** **Cadd9**
You come right back somehow I can t explain...

How I feel when you look at me,
Something real is setting me free,
Can t you see I ve known all along,
You re my first,
You re my last,
You re the one.
