Alive in Wild Paint

Another simple, amazing song by Alive In Wild Paint.

Capo 1st fret

The picking in the verse isn't hard to figure out,
but for the chorus it's this 4 times for every chord.

```
|-----|
|-----|
|-----x-|
|---x-----|
|-----x-|
|---x-----|
```

Chords:

```
      Am      C      G      D
|-----3---2-----|
|--1-----1---3---3---|
|--2-----2-----|
|--2-----2-----|
|-----3---2-----|
|-----3-----|
```

Verse:

```
      Am      C
|-----|
|--1-----|
|--2-----|
|--2-----|
|-----3---|
|-----|
```

Chorus:

```
      G      D      Am      C
|-3---2-----|
|-3---3---1---1---|
|----2---2-----|
|-----2---2-----|
|-2-----3-----|
|-3-----|
```

At the end you can play this if you want, even though nothing is played in the recorded version.

```
Am      C
I m gonna cut this out
