

**G**                    **Em**                    **D**                    **G D G**  
Don t you fall until we know for sure

VERSE 2

**D**                    **F#m**                    **Em**  
Here we go again, taking a chance again  
**G**  
Finding ourselves together  
**D**                    **F#m**                    **Em**  
Falling in love again, losing it all again  
**G**                    **A**  
Watching the world go by  
**Em**  
As we re starting over

PRE-CHORUS

**Bm/A**                    **G**                    **D/F#**  
Hanging conversations, silly accusations  
**G**                    **D/F#**                    **G**  
We never made it through, cause me and you  
**D**                    **G**  
We never had a chance  
**Em**                    **G**  
And now we re taking another

CHORUS

**D**                    **F#m**  
Stop, think, wait a minute  
**G**  
Is it love that we really feel?  
**Em7**                    **D/F#**  
We ve been hurting bad, we ve been hurt before  
**G**                    **Em**                    **D**  
Don t you fall until we know for sure  
**D**                    **F#m**  
Stop, think, wait a minute  
**G**  
Is it love that we really feel?  
**Em7**                    **D/F#**  
We ve been there before, we ve been through that door  
**G**                    **Em**                    **D**                    **G D G**  
Don t you fall until we know for sure

BRIDGE

**Bm**                    **Bm/A**                    **G**                    **D/F#**  
Playing the fool together, playing the game too long  
**Bm**                    **Bm/A**                    **G**                    **D/F#**  
But we were wising up, but we re starting over  
**G**                    **Bb**

I don't care if we're wrong

CHORUS

**F** **Am**  
Stop, think, wait a minute

**Bb**  
Is it love that we really feel?

**Gm7** **F/A**  
We've been hurting bad, we've been hurt before

**Bb** **Gm** **F**  
Don't you fall until we know for sure

**F** **Am**  
Stop, think, wait a minute

**Bb**  
Is it love that we really feel?

**Gm7** **F/A**  
We've been there before, we've been through that door

**Bb** **Gm** **F**  
Don't you fall until we know for sure

OUTRO

**Bb** **Am** **Gm**  
Gotta think, gotta think, gotta think it through, no no

**F** **Am**  
Stop, think, wait a minute

**Bb** **Am** **Gm** **F** (fade out)  
Is it love that I really feel?
