1st Verse -

He likes to act like he s all grown up.
He wanted to grow up to be
An actor, but he never told anybody.
He likes to spill all of his guts
On the top of a well-stocked bar,
And then swallow them bit by bit, remembering every scar.

2nd Verse -

He likes to pretend that he s all sewn up.
It makes for a much stronger case,
But there is blood underneath that skin
That scar is not so easy to erase.
He walks with a glass cane now.
He s careful, when holding his body up straight.
Can t go outside anymore when it s raining.
Can t smash up that beautiful face.
