Alkaline Trio - Broken Wing

Transcribed by Ginge

I ve transcribed this song as an acoustic version for you all. Enjoy!

Capo 2nd Fret!!!

Intro

G C Em D C x2

C **G**
It ain t hard to get lost,
D **Am**
When you forget, where you come from.
C **G**
Turn that dial to the right and push that pedal down.
D
Don t say goodbye,
C
Just for the drive,
G **D**
Along for the ride.

G **D**
It would be real nice just to fly away,
Em
And escape everything.
C
But little bird,
G
Looks like you ve got a broken wing.
D **Em**
Now anything so easy, it might not make you weak.
C
But it sure won t make me believe.

G C Em D C

C **G**
It s hell you say and it gets worse you know.
D **Am**
How many more days am I gonna wake up when there s no place I wanna go?
C **G**
That sunshine s really gonna kill us all why is everyday so cold?
D **C**
Why is everything, so fucking cold,

G D

And never melts away.

G D
It would be real nice just to fly away,

Em
And escape everything.

C
But little bird,
G
Looks like you've got a broken wing.

D Em
Now anything so easy, it might not make you weak.

C
But it sure won't make me believe.

Am C G
That's the top of your lungs, and the bottom of your heart.

Am C G
Is that the top of your lungs, Is that the bottom of your heart.

Am Bm C D G D
Is that as deep as your heart goes?

G x4

G D
I understand the things that keep you up,

Em
And I know that you still feel.

C
And I know that your heart is hemorrhaging,

G
And needs some time to heal.

D
Now the traffic lights there on your street,

Em
Flash yellow all the time,

C Bm
And the mirror in your bathroom it looks cracked in the wrong light

C
But walk out through your threshold,

G D C
Through your lungs and move on down the stairs.

Em D C G
And let the things you love come back to you in time

Am D
we'll all get there

G D
It would be real nice just to fly away,

Em

And escape everything.

C

But little bird,

G

Looks like you've got a broken wing.

D

Em

Now anything so easy, it might not make you weak.
