**Alkaline Trio**

Demon and Devision  
Alkaline Trio  
Is This Thing Cursed? (2018)

Tabbed by: Henry Hathaway

[Intro]

**A D**

[Verse 1]

**A**

I got some poison on the brain

And I m not scared I m not ashamed

**D**

No more of anything, anything, anything but the rain

**A**

It melts my smile straight down the drain

I found black magic and white shame

**D**

And I lost everything, everything, everything but the pain

[Chorus]

**A**

**E**

**A**

I set my alarm for an early start that I slept through

**D**

**A**

**E**

I ve torn apart all chances of stealing your heart

**D**

That sunless morning

**A**

**E**

I got my start on the mean streets

**A**

**D**

Where Damen and Division meet

**A**

**E**

**D**

Been dodging bullets and dirty looks all fucking morning

[Post-Chorus]

**A D**

[Verse 2]

**A**

Now I have violence on the brain

You re not in love you re just insane

**D**

Afraid of everything, everything, everything and the shame

**A**

It wipes that smile right off your face

Lost in confusion and disgrace

**D**

I once had everything, everything, everything but you

[Chorus]

**A**

**E**

**A**

I set my alarm for an early start that I slept through

**D**

**A**

**E**

I ve torn apart all chances of stealing your heart

**D**

That sunless morning

**A**

**E**

I got my start on the mean streets

**A**

**D**

Where Damen and Division meet

**A**

**E**

**D**

Been dodging bullets and dirty looks all fucking morning

[Bridge]

**A**

Jaw dropped, here in shock on the icy streets (You re Killing)

**E**

All the alcohol in hell and I just watched it freeze (You re Killing)

**F#m**

Now I ll skate on through

Si tu veux

**D**

Have it, I m finished

**A**

I m getting out, set the clock for an early start

**E**

Dodged a bullet, saw my shadow get blown apart

**F#m**

I won t apologize

**D**

You are killing me

[Chorus]

**A**

**E**

**A**

I set my alarm for an early start that I slept through

**D**

**A**

**E**

I've torn apart all chances of stealing your heart

**D**

That sunless morning

**A**

**E**

I got my start on the mean streets

**A**

**D**

Where Damen and Division meet

**A**

**E**

**D**

Been dodging bullets and dirty looks all fucking morning

[Outro]

**A D**

I got some poison on the brain
