**E** 022100  
**Asus2** X02200  
**B** X24400  
**C#m7** X46600

[INTRO]

**E9 A6add9 C#m7 B Asus2**

[VERSE]

**E B**  
If you had a bad time at one of my parties  
**C#m7 B Asus2**  
Well I wouldn't expect to be seeing you soon and that's fine  
**E**  
You have to know what and why  
**B**  
Those things make you happy  
**C#m7 B Asus2**  
You have to know that a second guess ain't worth a try

[CHORUS]

**E**  
Just some words of advice  
**Asus2 B**  
Maybe you've heard them before but here goes  
**E Asus2 B Asus2**  
Just be true to yourself if it lands you in hell at least now you know  
**B E**  
Loud and clear is your heart big and bright  
**Asus2 B**  
Are the places you might someday go  
**E Asus2**  
With one million things holding you down, why you're one of those things  
**B Asus2**  
I don't know  
**B**  
No big deal,  
**E**  
Gotta go

[FILL]

**E9 A6add9 C#m7 B Asus2**

[VERSE]

**E**          **B**  
If you're up to your ears in blood, sweat and wasted years  
          **C#m7**  **B**  **Asus2**  
I'm hoping you're going to open your throat and just scream

**E**  
You have to know who and why  
          **B**

Which ones miss you when you die  
**C#m7**  **B**  **Asus2**  
You have to know a second guess ain't worth the salt in your eye

[CHORUS]

**E**  
Just some words of advice  
                          **Asus2**  **B**  
Maybe you've heard them before but here goes  
                          **E**  **Asus2**  **B**          **Asus2**  
Just be true to yourself if it lands you in hell at least now you know  
          **B**                          **E**  
Loud and clear is your heart big and bright  
                          **Asus2**  **B**  
Are the places you might someday go  
                          **E**  **Asus2**  
With one million things holding you down, why you're one of those things  
          **B**          **Asus2**  
I don't know  
          **B**  
no big deal--

[BRIDGE]

**C#m7**  **Asus2**  
--It just sits on my shoulders, you're breaking my neck  
          **E**  **B**  
We get crazy with age, now you're under my bed  
                          **C#m7**  **Asus2**  
And it's dark  
          **E**                          **B**  
all the time, all the time

[CHORUS]

**E**  
Just some words of advice  
                          **Asus2**  **B**  
Maybe you've heard them before but here goes  
                          **E**  **Asus2**  **B**          **Asus2**  
Just be true to yourself if it lands you in hell at least now you know  
          **B**                          **E**  
Loud and clear is your heart big and bright  
                          **Asus2**  **B**  
are the places you might someday go  
                          **E**  **Asus2**  
With one million things holding you down, why you're one of those things

**B** **Asus2**

I don t know

**B**

No big deal,

**E**

Here I go
