**B**

And it s all I have to drink

[Matt + Dan/Electric Guitar]

**G#**

If it is then I m the jerk

When I simply should just burn it to the ground

**G#**

Maybe it s some kind of spell

**A**

**E**

That I ve been living under

**B**

**G#**

Collecting coins found near a nightmare wishing well

[Matt + Dan]

**A**

**B**

**C#**

Coldest regards signed my name and sealed the card

**D**

**A**

**B**

Tried to leave it all behind me and almost blew up in my car

**E**

**G A E B**

Is this thing cursed?

[Verse 1]

**C** **G** **C G**  
 Things have been getting pretty rough around here

**C** **Em**  
 No coffee cups flying round the room  
**F# G C**  
 Just daggers born from tears  
**D**  
 Let's try to crawl out from under our breath  
**G F# Em**  
 We can never break up, so I love you to death  
**C**  
 The man I'd become was so comfortably dumb  
**D**  
 I believe you could mean it, but you're not having fun  
**G**  
 And I'm sorry

**G C D**

[Verse 2]

**C G C G**  
 I learned to breathe I guess some time ago  
**C Em F# G Em**  
 But just recently I learned what it means to take it slow  
**C D G F# Em**  
 I'm lousy with excuses and you know I love to swear  
**C**  
 So goddamnit, I swear to whatever's out there  
**D**  
 And I love you more now than I ever have, so

[Chorus]

**G C D**  
 Let's pick another day to call it quits and walk away  
**G C D**  
 Let's find some other time to break down  
**G C**  
 The storm has gone and blown on through  
**G D**  
 Shake off the devils a dial or two  
**G C F**  
 You might leave me still, but not today  
**D G C D**  
 For now, can we just stay?  
**G C D**  
 Can we just stay?

[Verse 3]

**C G C G**  
 You would think by now that I'd be fine  
**C Em F# G**  
 Y know, like really stretching out  
**C**  
 But it would all be lies  
**D G**

I m no longer in control of my own shoes

**F# Em**

There they go

**C**

Quickly running out of booze

**D**

Drinking to kill myself to live without you

**C**

**D**

Over there, where Iâ€™m still scared

**G**

Sometimes

[Chorus]

**G**

**C**

**D**

Letâ€™s pick another day to call it quits and walk away

**G**

**C**

**D**

Letâ€™s find some other time to break down

**G**

**C**

The storm has gone and blown on through

**G**

**D**

Shake off the devils a dial or two

**G**

**C**

**F**

You might leave me still, but not today

**D**

**G C D**

For now, can we just stay?

**G C D**

Can we just stay?

**D**

**G C D**

For now, can we just stay?

**G C D**

Can we just stay?

Track 10: Heart Attacks

[Intro]

**F Ab Db C**

**F Db Eb**

[Verse 1]

**F** **Ab** **Db C**  
It's time I should be leaving, it's time for me to go  
**F** **Db** **Eb**  
A painting on my ceiling and your footprints in the snow  
**F** **Ab** **Db C**  
They found you Christmas morning beneath the tree in the front yard  
**F**  
The sound, the screams, the mourning  
**Eb** **Eb**  
As we send sympathy cards

[Chorus]

**Ab**  
Hydrocodone acid-washed brain  
**Eb**  
A shame, a total loss  
**Db**  
They said that they did all they could  
**Db Eb**  
That boy's been dead since childhood  
**Ab**  
Leave me alone to analyze  
**Eb**  
The sour power of surprise  
**Db**  
A ticker out of time and whack  
**Eb E**  
Too young to die of heart attacks

# Track 11: Worn So Thin

[Intro]

**G**

[Verse 1]

N.C.

Iâ€™ll start out fresh

**C B A**

A brand new beginning

**D C B**

It goes like this

**Em A D**

So I never finish anything

**A C G**

And all of this was totally worthless

**G**

If I get through or we got to

**C B A**

Or letâ€™s just say a year or so

**D C B Em A D**

Cause thatâ€™s the way these days seem to go and go

**A C G**

And I just feel so helpless

[Chorus]

**C D**

Donâ€™t tell me to just calm down

**G D/F# Em**

Now thereâ€™s a shortcut right under my skin

**C Em**

And all I want is to freak out

**A C D G**

But my apologies are worn so thin

[Verse]

**G**

Iâ€™m sorry, friend

**C B A**

With all these fucking problems

**D**

I should pay you rent

**C**

**B**

**Em**

**A**

**D**

Doors are open in the cellblock of my filthy head

**A**

**C**

**G**

And these days I smoke less

[Chorus]

**C**

**D**

Donâ€™t tell me to just calm down

**G**

**D/F# Em**

Now thereâ€™s a shortcut right under my skin

**C**

**Em**

And all I want is to freak out

**A**

**C**

**D**

**G**

But my apologies are worn so thin

**A**

**C**

**D**

Yeah, thatâ€™s a quality Iâ€™ve worn so thin

**A**

Iâ€™m gonna have to slack that fever dream

**F**

Iâ€™ve just awoken from

**G**

Of the nightmare youâ€™ve become

[Chorus]

[Verse 1]

**Eb**

Never said what I was thinking

Ab Bb  
The night you turned up at my door

**Eb**  
I could tell that youâ€™d been drinking

Ab Bb

As we went crashing to the floor

**Eb**  
You came from Santa Monica

Ab Bb  
With teardrops in your eyes

**Eb**  
We passed out in the shadows

Ab Bb  
Of a lonely Thursday night

[ Pre-Chorus ]

**C**                      **Ab**  
We kissed away our memories

**Eb**                      **Bb**  
And fucked away the pain

C	Ab
We	went
out	for
some	coffee

**Bb**

And then we did it all again

[Chorus]

**Eb F G**

**C Ab Eb F G**

Couldnâ€™t tell what you were thinking

**Ab Bb**

The night I turned up at the bar

**Eb**

I told you I quit drinking

**Ab Bb**

And you laughed til you saw stars

**Eb**

I came to Santa Monica

**Ab Bb**

With flowers in my hand

**Eb**

I grabbed you by the lips with mine

**Ab Bb**

And slowly pulled you in

[Pre-Chorus]

**C Ab**

We kissed away our memories

**Eb Bb**

And fucked away the pain

**C**

You called in sick to work

**Ab Bb**

And then we did it all again
