Krystalline
Alkaline Trio

 Mute the strums at the beginning of the song; strums which are both muted and
accented can t be shown
with the strumming pattern feature.

[Intro]
E

[Verse 1]
```
      E
Never said what I was thinking
              A             B
The night you turned up at my door
        E
I could tell that you d been drinking
          A           B
As we went crashing to the floor
    E
You came from Santa Monica
     A            B
With teardrops in your eyes
   E
We passed out in the shadows
      A           B
Of a lonely Thursday night
```

[Pre-chorus]
```
  C#m              A
We kissed away our memories
   E              B
And fucked away the pain
  C#m             A
We went out for some coffee
     B
Then we did it all again
```

[Chorus]

Octave (On each E aside from the last)

```
eÂ¦----------------------------
BÂ¦----------------------------
GÂ¦--9-99-999-11-11-11--12-12-12
DÂ¦--9-99-999-x--x--x---x--x--x
AÂ¦--7-77-777-9--9--9---10-10-10
```

```
EÂ¦---------------------------
```

```
            E
My Krystalline
     C#m   A              E
Ooh ooh I want you Krystalline
     C#m   A         B     E
Ooh ooh I want you Krystalline
```

[Verse 2]
```
             E
Couldn t tell what you were thinking
              A               B
The night I turned up at the bar
   E
I told you I quit drinking
         A                B
And you laughed til you saw stars
   E
I came to Santa Monica
      A           B
With flowers in my hand
   E
I grabbed you by the lips with mine
      A              B
And slowly pulled you in
```

[Pre-chorus]
```
    C#m               A
We kissed away our memories
     E             B
And fucked away the pain
    C#m               A
You called in sick to work
          B
And then we did it all again
```

[Chorus]
```
            E
My Krystalline
     C#m   A              E
Ooh ooh I want you Krystalline
     C#m   A              E
Ooh ooh I want you Krystalline
     C#m   A              E
Ooh ooh I want you Krystalline
      C#m   A       B     E
Ooh ooh I want you Krystalline
```
