Album:Goddamnit
Bassist: Dan Andriano

A number of times in the chorus he repeatedly hits some combination of high notes, which I guessed at but included question marks to show that I m not sure. If you have what you think is correct for any part please send it in!

Dan often moves up and down the neck, so every now and then try to play the notes in spots and mix things up. I think he oftens tags (fifths?) on to parts in the chorus, so add your own variations as you see fit.
