This is the intro...I did my best with the timing of it

G-----  
D-----  
A-----5-----  
E--5--555--555--55--77--5--555--5-----

Heres where the lyrics come in (This time you ve.....)  
Again listen to the song for timing (Do this 2x)

G-----  
D-----44444---77777-----  
A-----55555555-----5555---7777-----  
E-22222222-----

Heres the tough chorus bass, good luck, do this 2x also  
(I know that you wish I was dead.....)

G-----  
D-----4-----  
A-----5-4-5-7-7-5-4-0-----4-----  
E-55555555-----2222-----2222--0000-----

Ending part
