On our own trip, on our emerald ship we sail away
The ocean holds a thousand tales untold
With this love, it s easy come and easy go
Just like the way we were before the fall

  I don t see the reason why every angel must fly (every angel, every angel)
I m betrayed by the tear in my eye (every angel)

In my eye

  Hey angel, don t be afraid to earth your heart
When I see love descending like a dove
Confusion, the song you hear the blackbird sing
   Am
You fly to the sun and you re going to burn your wings

  I don t see the reason why every angel must fly (every angel, every angel)
I m betrayed by the tear in my eye (every angel), in my eye
