

Happy
All Caps

Capo 5 if you want to match the recording.
All chords relative to the capo.

Am
Are you happy now?
C
Have you got it all figured out?
G
I hope youâ€™re living large
F
Take another fool and break his heart

Am
Are you better now?
C
Everything you dreamed about?
G
Someone rich and youâ€™ll fall in love
F
But itâ€™s not him youâ€™re thinking of

Am
Take these memories
C
Throw them all away
G
So I canâ€™t recall
F
the pain of yesterday

Am
Take my broken core
C
Far away from here

But every place I go
F
I just want to disappear

Am
Are you happy now?
C
Have you got it all figured out?
G
I hope youâ€™re living large
F
Take another fool and break his heart

Am

Are you better now?

C

Everything you dreamed about?

G

Someone rich and you'll fall in love

F

But it's not him you're thinking of

F

Am C G F

But it's not him you're thinking of

Am

When did you lose your smile?

C

I tried to be strong

G

Lifting the veil I was

F

the fool all along

Am

So much more complex

C

Carnal through and through

G

Kept your secrets buried deep

F

But now I see right through you

F

G

Am

I'm glad that I've escaped the wake of your destruction path

F

G

Am

C

These scars, they'll last forever but now I'm awake, so alive

Am

Are you happy now?

C

Have you got it all figured out?

G

I hope you're living large

F

Take another fool and break his heart

Am

Are you better now?

C

Everything you dreamed about?

G

Someone rich and you'll fall in love

F

But it's not him you're thinking of

F

But it's not him you're thinking of
