

**My Friends
All Get Out**

tuning: Standard

intro and first verse: **G#m Bb B B**

Chorus:

G#m B E B F#
so go on, go back and find yourself or find out who you want to be.
G#m B E B F#
to live and laugh and love and sing and cry, just keep it away from me.

post chorus riff:

G#m F# G#m F# G#m F# G#m B
low e|-5-5-5-3--5-5-5-3--5-5-5-3-5/8~-|

G#m E B
My pride sure shies, it hides itself inside a hole at night.
G#m E B
But my friend, I don't lie, I'll make you feel like it's the end of your
G#m (GGG)
life if I have to. God damn I want to.
G#m E B G#m
It would take my life to test the waters that you're swimming in so this is
E B
the end. It's where you die. It's where I want you to be. You're dead.

C#m F#
Four-day friends, wishing you were coming home. x3

intro again

Chorus

G#m B E B F#
So go on, go back and find yourself or find out who you want to be.
G#m B E B F#
To live, and laugh, and love, and sing and cry just keep it away
C#m F#
I don't think myself to sleep each I lay down I just sleep
C#m F#
To God I promise, sweet God I promise that I'm going to call you and tell
you how much better off I am.
