Tuning:standard
All Get Out is amazing
http://www.favoritegentlemen.com/artists/ago.main.php

Intro part - He plays something kinda like this at the beginning and at other
points in the song.
```
e|-----------------------------------------------|
B|---------h3------------------------------------|
G|-0-0-0-h4----0------------0--------------------|
D|--------------2-2---0-0h2----------------------|
A|-----------------2-----------------------------|
E|-----------------------------------------------|

e|-----------------------------------------------|
B|---------h3------------------------------------|
G|-0-0-0-h4----0---------2/4\2p0-----------------|
D|--------------2-2---0---------------------------|
A|-----------------2-----------------------------|
E|-----------------------------------------------|

e|-----------------------------------------------|
B|---------h3------------------------------------|
G|-0-0-0-h4----0------------0--------------------|
D|--------------2-2---0-0h2----------------------|
A|-----------------2-----------------------------|
E|-----------------------------------------------|
                             very last time in song
e|----------------------------|------------------|
B|---------h3-----------------|--------h3--------|
G|-0-0-0-h4----0--------------|-0-0-0-h4---2p0-0-0|
D|--------------2-2---0--------|------------------|
A|-----------------2---2p0-2p0|------------------|
E|----------------------------|------------------|
```

I play the verse chords palm muted like this, but the chorus chords normal
Dm: 02xxxx
F: 32xxxx
Bb: x32xxx
Gm: 54xxxx
The G to Am is real quick

```
Dm              F                   Bb        F        Gm
Stare at the wall and think of how many ways that you
Dm      F       Bb              F       Gm
You can die, how many tries did it take?
 Dm           F              Bb       F        Gm
So stay, stay alive if you can be surprised
 Dm      F       Bb              F       Gm
Be a man if want it you d be gone.
Dm      F               Bb              F       Gm
Dig a hole put your devil in the ground
Dm      F               Bb              F               Gm
Dont forget put my name on the stone where it goes
          Dm        F       Bb        F       Gm      Dm
Are you scared to die just afraid to be alone and grow old
          F           Bb          F
I havent been that in years

F       Gm      Bb      F
Crucify me, satisfy me
F       Gm      Bb      F
Crucify me, satisfy me

(intro thing)x4

Dm      F                   Bb                      F       Gm
I was born to break your heart, to break your soul
Dm          F               Bb              F               Gm
Watch you die this means nothing, Ive done worse to better people
          Dm        F       Bb        F   Gm      Dm
Are you scared to die just afraid to be alone and grow old
   F          Bb        F
I havent been that in years
F       Gm      Bb      F
Crucify you, satisfies me
F       Gm      Bb      F
Crucify you, satisfies me
F       Gm      Bb      F
Crucify you, satisfies me
F       Gm      Bb      F
Crucify you, satisfies me
F       Gm      Bb      F
Crucify me, satisfy me
F       Gm      Bb      F
Crucify me, satisfy me
F       Gm      Bb      F
Crucify me, satisfy me
F       Gm      Bb      F
Crucify me, satisfy me

Intro part again
```
