Tuning:standard
All Get Out is amazing
http://www.favoritegentlemen.com/artists/ago.main.php

Intro part - He plays something kinda like this at the beginning and at other
points in the song.
```
e|-----------------------------------------------|
B|---------h3------------------------------------|
G|-0-0-0-h4----0------------0--------------------|
D|--------------2-2---0-0h2----------------------|
A|-----------------2-----------------------------|
E|-----------------------------------------------|

e|-----------------------------------------------|
B|---------h3------------------------------------|
G|-0-0-0-h4----0---------2/4\2p0-----------------|
D|--------------2-2---0--------------------------|
A|-----------------2-----------------------------|
E|-----------------------------------------------|

e|-----------------------------------------------|
B|---------h3------------------------------------|
G|-0-0-0-h4----0------------0--------------------|
D|--------------2-2---0-0h2----------------------|
A|-----------------2-----------------------------|
E|-----------------------------------------------|
                            very last time in song
e|----------------------------|------------------|
B|---------h3-----------------|---------h3-------|
G|-0-0-0-h4----0--------------|-0-0-0-h4---2p0-0-0|
D|--------------2-2---0--------|------------------|
A|-----------------2---2p0-2p0|------------------|
E|----------------------------|------------------|
```

I play the verse chords palm muted like this, but the chorus chords normal
Ebm: 02xxxx
F#: 32xxxx
B: x32xxx
G#m: 54xxxx
The G to Am is real quick

```
Ebm          F#                    B       F#        G#m
Stare at the wall and think of how many ways that you
Ebm      F#      B                 F#     G#m
You can die, how many tries did it take?
 Ebm          F#          B      F#         G#m
So stay, stay alive if you can be surprised
 Ebm       F#      B           F#      G#m
Be a man if want it you d be gone.
Ebm    F#              B           F#         G#m
Dig a hole put your devil in the ground
Ebm    F#              B           F#              G#m
Dont forget put my name on the stone where it goes
        Ebm        F#       B           F#      G#m        Ebm
Are you scared to die just afraid to be alone and grow old
          F#            B          F#
I havent been that in years

F#       G#m   B     F#
Crucify me, satisfy me
F#       G#m   B      F#
Crucify me, satisfy me

(intro thing)x4

Ebm      F#                 B                      F#       G#m
I was born to break your heart, to break your soul
Ebm        F#              B                  F#               G#m
Watch you die this means nothing, Ive done worse to better people
      Ebm         F#       B          F#    G#m        Ebm
Are you scared to die just afraid to be alone and grow old
   F#            B       F#
I havent been that in years
F#       G#m   B     F#
Crucify you, satisfies me
F#       G#m   B     F#
Crucify you, satisfies me
F#       G#m   B     F#
Crucify you, satisfies me
F#       G#m   B     F#
Crucify you, satisfies me
F#       G#m   B     F#
Crucify me, satisfy me
F#       G#m   B     F#
Crucify me, satisfy me
F#       G#m   B     F#
Crucify me, satisfy me
F#       G#m   B     F#
Crucify me, satisfy me

Intro part again
```
