[Verse 1]

G B E
I saw a bridge it pieced together two unlikely hearts.
E D C
I thought it must have been illusions or a dream of mine.
G B E
My narrow mind, my fragile heart exploded in my chest.
E D C
I ve seen this beautiful season it s just not repeating.
G B E
Dollar neglect I d leave my friends and every love of mine.
E D C
Forget this house, this piece of shit. It s just not worth my time.
G B E
Money s just money honey it s just money.
E D C
I ve seen some wonderful reasons it s just not quite the season.

G/C **Gmaj**
It s just not quite the season. It s just not quite the season.
G/C **Gmaj**
It s just not quite the season.

[Chorus]

Em Gmaj G/C
Don t want to go, don t want to go, don t want to leave the south.
Em Gmaj Am
Shut the door, shut the doorâ€|can t see me now.

Hate it, hate it, love it, hate, God you know I love to hate it.

Em Gmaj G/C
Breathe, breathe, breathe, breathe, breathe, you got to let it in.

Em Gmaj Am
I bare this same heavy cross, don t count it as my loss.
