

**Black Coffee**  
**All Saints**

**Bm**

Night swimming  
Beach walking  
Always silent  
Never talking

**E**

Then you call my name  
And I know inside I love you

**Bm**

Sail away  
I miss you more  
Until you see the shore

**E**

There I will be waiting

Day dreaming  
Chain smoking  
Always laughin  
Always jokin

Did I tell you that I love you

**Bm**

Brush your teeth  
And pour a cup of black coffee out

**Esus4**

I love to watch you do that every day  
The little things that you do
