

Shipwrecked
All the Apparatus

I heard these guys walking by Portland s downtown and got their cd, listened to this song, then looked it up and realized that nobody has uploaded a tab, so here it is :)

Chords: **C Am F G**

Intro: **C, Am**

C

A starry night, the moon reflects

Am

On the flotsam and jetsam from the deck

C

Am

Of our sinking ship, this lovely Tuesday evening

F

G

We re going down, it s true

C

Am

But I fell in love with a girl like you

F

G

C

On a pleasure cruise to the bottom of the sea

C

Smoke still billows from the stacks

Am

As the bell rings out for the panic attack

C

Am

And the captain screams all hands to the life boats

C

We ll save the women & children first-

Am

Then the passenger with the fattest purse,

C

Am

last of all, the young man and the crew

F

G

It seems to me we re doomed

C

Am

at least I m here at the end with you

F

G

C

Am

May I kiss your lips so cold and blue?

F **G**

Lips once warm but now so cold and blue

F **G**

Cheer up, don't look so sad.

C **Am**

Maybe drowning's not so bad.

F **G** **C** **Am**

Can you tread water for a week or two?

F **G** **C** **Am**

Tread water for a week or two
