

The Horizon
All the Young

I own nothing. All rights and ownership belong to All The Young.
This is pretty accurate, as far as I can tell there are only 3 chords in the entire song:

F#m - 244222
Amaj7/D - X00220
E - 022100

(Not sure about this but possibly, whilst playing the E chord, after half a measure the G string is played on the 2nd fret instead of the first 1st fret to make an Esus4 chord. You don't have to use it at all if you don't want to, it's not overly important. I'll leave it up to you).
