

Canals

All Time Low

B E
I Am A critic

D A B
Of my own critical need to define myself

E D
With wine, and words, and lovers

A
And friends who don t understand

B E
So there, I just said it

D A
You know that admitting the problem

B Em
Is the first step towards repair

D
We all recover

F# Bm
Say the friends turned to wine-drunk lovers

G D F#
Smile, tell me I m alright with a goodbye

D
You are so misleading

G D A
A kiss or a gun fight - high-noon or midnight

D G
Darling, I don t want to know

D F#
If I m just a short sight on a cold night

Bm
The canals are freezing

G D A
So tell me I m alright with a goodbye

(**B E D A**)

Bm Em
Am I A villain

D A
Cast among heroes

Bm Em D
With all of their underwhelming, overbearing struggles

F#
To become what they ll never be?

Bm E
Friends to the wicked

D A Bm

Caution is calling, but nobody s home

Em **D**

The lights are off, the party s over

F#

Now you re stuck plucking three leaf clovers

G **D** **F#**

Smile, tell me I m alright with a goodbye

D

You are so misleading

G **D** **A**

A kiss or a gun fight - high-noon or midnight

D **G**

Darling, I don t want to know

D **F#**

If I m just a short sight on a cold night

Bm

The canals are freezing

G **D** **A**

So tell me I m alright with a goodbye

Em **G**

You ve got the high ground

D **A**

And I m on my best defence

Em **G**

But I dare you to come down

D **A**

I ll give you an eye for an eye

C **G**

If it makes things easy

(**Bm** **D** **F#**)

G **D** **A**

Smile, tell me alright with a goodbye
