Come One Come All
All Time Low

Intro:
B
Come one come all
You re just in time
 E
To witness my first breakdown
        G#m
Cause there s a mile gone
For every minute passed
  F# G#m   E B assline: Ebm B
When I m   stuck in this town

B E G#m F# G#m E

Verse 1:
B
  I ve got a bone to
      C#m
pick with you Mr. DJ
E
  The traffic and the sound
        F#
Is just as bad
as it is in LA
B
  So go on and lock me up
      C#m
You better throw
      F#
away that key
      E
Before I find out
where you broadcast from
        F#
Because your play
list is killing me

Refrain:
G#m
  I ll change that station
E
  Light it up like the 4th of July
    F#
It s me I m caller fifteen
    E   F#
Time to play my last request

```
Chorus:
B
Come one come all
You re just in time
  E
To witness my first breakdown
          G#m
Cause there s a mile gone
For every minute passed
     F#      G#m        E
When I m wasting space in this town
B
  Don t call the doctors
       E
I don t need no medication
      G#m
I just need one more vacation
  F# G#m    E
And make it  last

Verse 2:
B
  Hear me out please
       C#m
judge and jury
I m an innocent man
E
  And it would be such
          F#
a terrible injustice
To put me away without
       B
thinking about
All the terrible mistakes
  C#m         F#
That goddamn radio jockey makes
   E
I swear he s out to get me
   F#
Oh I swear he s out to get me

Refrain 2:
G#m
  I ll change that station
E
  Light it up like the 4th of July
    F#
It s me I m caller fifteen
       E
But it s too late for explanations
    F#
This broadcast will be alive
```

(Repeat Chorus)

F# G#m E

Bridge:
G#m   **E**
   Hear me out please judge and jury
     B
And I swear he s out to get me
    F#/Bb
Oh I swear he s out to get me
G#m
   Go on and lock me up
        E
You better throw away that key
    B
I swear he s out to get me
    F#/Bb   **F#**
I swear he s out to get me
B   **C#m**
   I ve got a bone to pick with you Mr DJ
E
   You really ought to lock me up
       A
Because your play list is killing me

Chorus 2:
B
Come one come all
You re just in time
 E
To witness my first breakdown
        G#m
Cause there s a mile gone
For every minute passed
    F#   **G#m**   **E**
When I m wasting space in this town
B
   Don t call the doctors
     E
I don t need no medication
      G#m   **F#**
I just need one more vacation
   A
And make it last
