

For Baltimore
All Time Low

Such a fun song to play. Learned it all by ear on the first day it came out! Finally decided to post it on here since I haven't seen any chords posted for this song already. To play this song you don't necessarily need a capo, however I prefer it on the first or second fret since it's kind of hard for me to sing the intro otherwise. So you can use a capo if you wish!

[Intro]

B **G#m**
Mayday situation overload,
Ebm
I'm restless, obsessed with
F#
Your future...
B
And all my worries they
G#m
don't bother you
Ebm **F#**
Collected you render me useless

But I carry on.

[Verse 1]

B
Right now, I think that you think that I'm
G#m
Half drunk, searching for something of
Ebm **F#**
Substance, to casually drop in a line
designed to keep you next to me.
B
I can't awkwardly craft an advance
G#m
I know that you wouldn't fall for that
Ebm **F#**
You say shut up and take my hand...

And we carry on.

[Chorus]

B **G#m**
I don t wanna say good night
Ebm
The city comes alive
F#
When we re together, why can t Thursay last forever?

B **G#m**
I don t wanna say good night
Ebm
I ve never been so sure,
F#
Just do it for the memories, do it for Baltimore.
E **B**
Do it for me

[Verse 2]

G#m
again, so much for keeping this just friends

Shut up and kiss me now....

And we carry on.
