

For Baltimore
All Time Low

Such a fun song to play. Learned it all by ear on the first day it came out! Finally decided to post it on here since I haven't seen any chords posted for this song already. To play this song you don't necessarily need a capo, however I prefer it on the first or second fret since it's kind of hard for me to sing the intro otherwise. So you can use a capo if you wish!

[Intro]

D **Bm**
Mayday situation overload,
F#m
I'm restless, obsessed with

I know that you wouldn't fall for that
F#m **A**
You say shut up and take my hand...
