

**Hello Brooklyn**  
**All Time Low**

**Bm E A F#**

This city  
So pretty  
Under moonlit skies  
We ll be hanging like a cigarette  
So stunning  
Start running  
Tonight s like a knife  
Would you cut me with your kiss?

**Bm E A F#**

I believe their lips  
You re unbelievable  
Can t miss this chance to take you  
And here s my invitation  
(Invitation)

**A E Bm D**

Hello, Brooklyn  
Hey, LA  
Take the streets all night  
Cause we sleep all day  
When the world comes crashing down  
Who s ready to party?  
Hello, Brooklyn  
Hey, LA  
Coast to coast  
I ll take you down in flames  
Let the good times roll  
We can let go  
Everybody knows  
There s a party at the end of the world

**A E Bm D**

Whoa, whoa, whoa, oh  
Whoa, whoa, whoa, oh

**Bm E A F#**

This city  
Was your city  
Heels on the sidewalk  
Begging for a backbeat  
Don t worry  
I fight dirty  
Tonight s like a right hook  
Knock you off your feet

**Bm E A F#**

I'll be yours, truly unbelievable  
Can't miss this chance to take you  
Out here's your invitation  
(Invitation)

**F# E D**

Kiss it all goodbye  
Tonight should've never been  
More alive  
(You're so alive)  
You're not afraid to die  
And I can see it in your eyes  
Your eyes
