

Hello Brooklyn
All Time Low

Bbm Eb G# F

This city
So pretty
Under moonlit skies
We ll be hanging like a cigarette
So stunning
Start running
Tonight s like a knife
Would you cut me with your kiss?

Bbm Eb G# F

I believe their lips
You re unbelievable
Can t miss this chance to take you
And here s my invitation
(Invitation)

G# Eb Bbm C#

Hello, Brooklyn
Hey, LA
Take the streets all night
Cause we sleep all day
When the world comes crashing down
Who s ready to party?
Hello, Brooklyn
Hey, LA
Coast to coast
I ll take you down in flames
Let the good times roll
We can let go
Everybody knows
There s a party at the end of the world

G# Eb Bbm C#

Whoa, whoa, whoa, oh
Whoa, whoa, whoa, oh

Bbm Eb G# F

This city
Was your city
Heels on the sidewalk
Begging for a backbeat
Don t worry
I fight dirty
Tonight s like a right hook
Knock you off your feet

Bbm Eb G# F

Iâ€™ll be yours, truly unbelievable
Can t miss this chance to take you
Out here s your invitation
