

Just The Way Im Not
All Time Low

D

Can I pick you up for,

A

Another night on the north shore?

Em **G** **A**

Do you even want to see my face again?

Full of bad romances,

Em

Your favorite enemy,

G

A

And your most hated friend.

Em

When it hurts it hurts,

G

You wonder if it s worth it.

D

But when it works it works,

A (hold) **A**

When it s broke it s perfect.

D

Woah oh!

A

Never to seem please you, no,

Em

Don t you ever let me go,

G

A

I know your heart is shut, shut, shut.

D

And don t you know,

Nothing s gonna change us.

A

Em

Girl, all because I like you just the way you aren t,

G (hold) **G** **D**

And you like me just the way I m not.

(And you like me just the way I m not.)

D

You re a classic case of,

Em

G

A

But you don t even know what love could do to us.

D

We are brash and reckless,

A

Made of glass and careless,

Em

G

A

We break apart the moment we both feel too much.

Em

Cause when it hurts it hurts,

G

You wonder if it s worth it.

D

But when it works it works,

A (hold)

A

When it s broke it s perfect.

D

Woah oh!

A

Never to seem please you, no,

Em

Don t you ever let me go,

G

A

I know your heart is shut, shut, shut.

D

And don t you know,

Nothing s gonna change us.

A

Em

Girl, all because I like you just the way you aren t,

G

A

D--

And you like me just the way I m not.

--**A, Em, G**

(You like me just the way I m...)

Em

Opposites distract,

G

We fall between the cracks,

D

A

Forget about each other til we get each other back. [3x]
