

**Just The Way Im Not  
All Time Low**

**Eb**

Can I pick you up for,

**Bb**

Another night on the north shore?

**Fm G# Bb**

Do you even want to see my face again?

**Eb**

I m a waste of chances,

**Bb**

Full of bad romances,

**Fm**

Your favorite enemy,

**G# Bb**

And your most hated friend.

**Fm**

When it hurts it hurts,

**G#**

You wonder if it s worth it.

**Eb**

But when it works it works,

**Bb (hold) Bb**

When it s broke it s perfect.

**Eb**

Woah oh!

**Bb**

Never to seem please you, no,

**Fm**

Don t you ever let me go,

**G# Bb**

I know your heart is shut, shut, shut.

**Eb**

And don t you know,

Nothing s gonna change us.

**Bb**

**Fm**

Girl, all because I like you just the way you aren t,

**G# (hold) G# Eb**

And you like me just the way I m not.

(And you like me just the way I m not.)

**Eb**

You re a classic case of,

**Bb**

Foolish, young and in love,

**Fm**

**G#**

**Bb**

But you don t even know what love could do to us.

**Eb**

We are brash and reckless,

**Bb**

Made of glass and careless,

**Fm**

**G#**

**Bb**

We break apart the moment we both feel too much.

**Fm**

Cause when it hurts it hurts,

**G#**

You wonder if it s worth it.

**Eb**

But when it works it works,

**Bb** (hold)

**Bb**

When it s broke it s perfect.

**Eb**

Woah oh!

**Bb**

Never to seem please you, no,

**Fm**

Don t you ever let me go,

**G#**

**Bb**

I know your heart is shut, shut, shut.

**Eb**

And don t you know,

Nothing s gonna change us.

**Bb**

**Fm**

Girl, all because I like you just the way you aren t,

**G#**

**Bb**

**Eb--**

And you like me just the way I m not.

--**Bb, Fm, G#**

(You like me just the way I m...)

**Fm**

Opposites distract,

**G#**

We fall between the cracks,

**Eb**

**Bb**

Forget about each other til we get each other back. [3x]

**Eb**

Go!

**Bb**

Never to seem please you, no,

**Fm**

Don t you ever let me go,

**G#** (let it ring) **G#**

I know your heart is shu...

**Eb**

Woah oh!

**Bb**

I never to seem please you, no,

**Fm**

Don t you ever let me go,

**G#** **Bb**

I know your heart is shut, shut, shut.

**Eb**

And don t you know,

Nothing s gonna change us.

**Bb**

**Fm**

Girl, all because I like you just the way you aren t,

**G#** **Bb** **Eb, Bb, Fm, G#**

And you like me just the way I m not
