

**Just The Way Im Not
All Time Low**

C#

Can I pick you up for,

G#

Another night on the north shore?

Ebm F# G#

Do you even want to see my face again?

C#

I m a waste of chances,

G#

Full of bad romances,

Ebm

Your favorite enemy,

F# G#

And your most hated friend.

Ebm

When it hurts it hurts,

F#

You wonder if it s worth it.

C#

But when it works it works,

G# (hold) G#

When it s broke it s perfect.

C#

Woah oh!

G#

Never to seem please you, no,

Ebm

Don t you ever let me go,

F# G#

I know your heart is shut, shut, shut.

C#

And don t you know,

Nothing s gonna change us.

G#

Ebm

Girl, all because I like you just the way you aren t,

F# (hold) F# C#

And you like me just the way I m not.

(And you like me just the way I m not.)

C#

You re a classic case of,

G#

Foolish, young and in love,

Ebm

F#

G#

But you don t even know what love could do to us.

C#

We are brash and reckless,

G#

Made of glass and careless,

Ebm

F#

G#

We break apart the moment we both feel too much.

Ebm

Cause when it hurts it hurts,

F#

You wonder if it s worth it.

C#

But when it works it works,

G# (hold)

G#

When it s broke it s perfect.

C#

Woah oh!

G#

Never to seem please you, no,

Ebm

Don t you ever let me go,

F#

G#

I know your heart is shut, shut, shut.

C#

And don t you know,

Nothing s gonna change us.

G#

Ebm

Girl, all because I like you just the way you aren t,

And you like me just the way I m not.

--**G#**, **Ebm**, **F#**

(You like me just the way I m...)

Ebm

Opposites distract,

F#

We fall between the cracks,

C#

G#

Forget about each other til we get each other back. [3x]

C#

Go!

G#

Never to seem please you, no,

Ebm

Don t you ever let me go,

F# (let it ring) **F#**

I know your heart is shu...
