

**Just The Way Im Not**  
**All Time Low**

**E**

Can I pick you up for,

**B**

Another night on the north shore?

**F#m** **A** **B**

Do you even want to see my face again?

**E**

I m a waste of chances,

**B**

Full of bad romances,

**F#m**

Your favorite enemy,

**A** **B**

And your most hated friend.

**F#m**

When it hurts it hurts,

**A**

You wonder if it s worth it.

**E**

But when it works it works,

**B** (hold) **B**

When it s broke it s perfect.

**E**

Woah oh!

**B**

Never to seem please you, no,

**F#m**

Don t you ever let me go,

**A** **B**

I know your heart is shut, shut, shut.

**E**

And don t you know,

Nothing s gonna change us.

**B**

**F#m**

Girl, all because I like you just the way you aren t,

**A** (hold) **A** **E**

And you like me just the way I m not.

(And you like me just the way I m not.)

**E**

You re a classic case of,

**B**

Foolish, young and in love,

**F#m** **A** **B**

But you don t even know what love could do to us.

**E**

We are brash and reckless,

**B**

Made of glass and careless,

**F#m** **A** **B**

We break apart the moment we both feel too much.

**F#m**

Cause when it hurts it hurts,

**A**

You wonder if it s worth it.

**E**

But when it works it works,

**B** (hold) **B**

When it s broke it s perfect.

**E**

Woah oh!

**B**

Never to seem please you, no,

**F#m**

Don t you ever let me go,

**A**

**B**

I know your heart is shut, shut, shut.

**E**

And don t you know,

Nothing s gonna change us.

**B**

**F#m**

Girl, all because I like you just the way you aren t,

**A** **B** **E--**

And you like me just the way I m not.

--**B**, **F#m**, **A**

(You like me just the way I m...)

**F#m**

Opposites distract,

**A**

We fall between the cracks,

**E** **B**

Forget about each other til we get each other back. [3x]

**E**

Go!

**B**

Never to seem please you, no,

**F#m**

Don't you ever let me go,

**A** (let it ring) **A**

I know your heart is shu...

**E**

Woah oh!

**B**

I never to seem please you, no,

**F#m**

Don't you ever let me go,

**A** **B**

I know your heart is shut, shut, shut.

**E**

And don't you know,

Nothing's gonna change us.

**B**

**F#m**

Girl, all because I like you just the way you aren't,

**A** **B** **E, B, F#m, A**

And you like me just the way I'm not
