E B
Are you having trouble
C#m A
finding sleep at night?
E B
Or does your lack of conscience
C#m G#m A
tell you everything s al---right
E B
I trust your good intentions that
C#m G#m A
you re watching over friend
F#m
You must think that I m crazy if
A
I don t see through that plan

E
So tell me what your best
B A
friend knows that I don t know
E
Tell me why you talk me
B A
down wherever you go
E
You re a saint you re a queen
B
And I m just another
C#m G#m A
boy without a crown
F#m
Tell me why you sell me
A
out every where you go
B
I just wanna know what

your best friend knows

E B
So vindictive you ll
C#m A
say anything you like

E

The smile you fake

B

the steps you take

C#m

You know you never

E A

could get it right

E B

Talk is cheap so make believe

C#m E A

your secrets find a grave

F#m

It's too late you gave up your

E A

last chance to walk away

E

So tell me what your best

B A

friend knows that I don't know

E

Tell me why you talk me

B A

F#m

Tell me why you sell me

A

out every where you go

B

I just wanna know what

your best friend knows

E

You stand a little too tall

say a little too much

Gonna bite that know

it all tongue

A

You tried a little too hard

now I'm calling that bluff

Big plans are coming undone

E

That's just typical

you're so cynical

A

Couldn t have me
I didn t want you
You re selling me out to the
girl I can t afford to lose

E

You stand a little to tall
say a little to much
Gonna bite that know
it all tongue

A

You tried a little to hard
now I m calling that bluff
Big plans are coming undone

E

That s just typical
you re so cynical

A

Couldn t have me
I didn t want you
You set yourself up to lose
